11th Annual Camp NAWIC
June 18—June 22, 2018

WHERE? Associated General Contractors Facilities -
School of Engineering, Innovation & Design
6212 Ferris Square, San Diego, CA

WHY? An opportunity to impact the future Construction Industry

The San Diego Chapter of the National Association of Women in Construction is partnering for the **11th** year with Members of the Construction Industry to offer high school girls an opportunity to learn in a hands-on **FREE** summer day camp the basic skills of **carpentry, welding, electrical, plumbing, sheet metal, heavy equipment and surveying**. Here is the link to the 2017 video: <http://www.futureconstructionleaders.org>.

This camp is designed to challenge the students to discover the many opportunities available in the exciting and rewarding field of construction. Girls will learn valuable life, teamwork and trade skills. Instructors and camp mentors include men and women employed in the industry.
